CERTIFICATE

This is to certify that Ms. Shweta Barad, student of PVG College, has successfully completed the Industrial Training in partial fulfillment of her M.Sc-Computer Science in our organization.

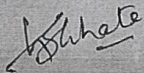

Shweta carried out two projects, E-Learning App and Spring CT website, involving mobile technologies like Android and web technologies like HTML5, CSS3, Bootstrap3, during the period from January 1, 2018 to June 1, 2018.

E-Learning App is designed for Android Mobile Devices. Contents are grouped in the form of collections and users can purchase these collections according to their needs. Once the collection is purchased, it gets visible in user's "My Collection" section. Contents can be of various types like videos, images, html, PDFs etc. Users can download these contents and view later even in offline mode. Content are encrypted and can be played only using this application. Tools used for developing this app were Crashlytics and SVN.

Spring Website involved UI development using HTML5, Bootstrap3 and CSS3. It involved designing various HTML Pages and responsiveness of website for Desktop and Mobile Devices.

Shweta demonstrated excellent commitment to successful completion of the project. Her performance on the project was outstanding.
