**Betreff: LETTER OF ADMISSION**

We herewith confirm that

Tanay Deshmukh  
born on 06.01.1996  
in Pune, India

in the winter semester 2018/2019 has been admitted<sup>1</sup> to the Master Program "Computer Science" at the University of Kaiserslautern.

The program starts on August 22<sup>nd</sup>, 2018 with an intensive German language and Orientation course. The professional studies start on October 22<sup>nd</sup>. The participation in the Orientation Course is not mandatory.

The last date of enrolment at the University of Kaiserslautern in the winter term 2018/2019 is September 30<sup>th</sup>, 2018.

UNIVERSITY of HOUSTON | NSM

2019-03-15

**myUH (PeopleSoft) ID: 1892553**

**Residency Status: International**

**Admission Term: Fall 2019**

Nahush Naik

425/74, T.M.V. Colony, Gultekadi, Pune - 411037

Pune, Other 411037

Dear Nahush Naik,

Congratulations! I am pleased to notify you that you have been unconditionally admitted to the Department of Computer Science in the College of Natural Sciences and Mathematics at the University of Houston for the Computer Science, MS program.

We would appreciate your decision as soon as possible, but **no later than April 15, 2019**, or **no later than two weeks** from receiving the Admission Decision notification email, whichever date is later. In order to accept or deny our admission, you will need to log into your online application dashboard and complete the Decision Form. The Decision Form allows you to 1) Accept the admission offer *or* 2) Decline the admission offer.

Based on your transcript(s) and the prerequisite/deficiency requirements of our program, the admissions committee determined that you need to take the following COSC deficiency course(s): **COSC 6309** within the first two semesters after you enroll into our graduate program, and obtain at least B- or better grade. In lieu of course completion, the department also offers placement exams for deficiency courses. Please visit our [website](#) to view the details of our placement exam procedures.

**International Applicants:**

- If you are an international applicant who requires a Form I-20 for your F-1 visa, please note that the I-20 request will be processed as soon as you have **accepted** the admissions offer and submitted all required documents.
- International students with "F" or "J" visa status are required to be covered under the UHS Student Health Insurance Plan or have equivalent health insurance coverage, regardless of the number of credit hours taken. Upon course registration, the student will automatically be enrolled in the mandatory UHS-endorsed Student Health Insurance Plan and will be charged for the coverage period on their student financial account. Under certain conditions, students can request a waiver of this mandatory health insurance fee. Consult the [UH Student Health Center](#) website to familiarize yourself with the international student health insurance requirements and the conditions required for a health insurance waiver.
- Consult the [UH International Student and Scholar Services](#) website to help prepare for your arrival.

### 5.2.2 Percentage of student progression to higher education (previous graduating batch) (Current Year data)

---

#### Domestic Applicants:

- All Texas residents are **encouraged** to submit the FAFSA in order to be considered for the Graduate School Fund. The Graduate School Fund can help defray the cost of some tuition, but is subject to the student demonstrating financial need and the availability of funds.

#### All Applicants:

- Your myUH ID (also known as "PSID" or "Student ID") is located at the top of this letter and is important because it is now your direct connection to managing a wide range of student resources and services - including enrolling in courses, viewing grades, making payments, viewing academic records, and much more.
- Visit the AccessUH portal to set your password, contact and mailing information.
- Familiarize yourself with the Graduate Catalog and Computer Science website for requirements, policies and procedures.

It is the policy of the College of Natural Sciences and Mathematics that all graduate students must maintain continuous enrollment in every Fall and Spring semester. University policy requires that MS students complete their degree within five years of the date of initial enrollment and that PhD students complete their degree requirements within ten years. As specified by the State of Texas, PhD students must complete all degree requirements within 100 PhD semester credit hours or be prepared to pay premium tuition for the additional hours.

Please note, before enrolling in courses, all new graduate students must submit official proof of a completed Bachelor's degree. Students who have earned a three-year Bachelor's degree must also submit official documents for their Master's degree. If we have not received a completed academic record for you, you will not be able to enroll in classes at this time. If you have any questions regarding what materials are missing or how to establish proof of degree, you may contact [gradschool@uh.edu](mailto:gradschool@uh.edu).

If you have any questions regarding the details of your admission, please do not hesitate to contact your staff academic advisor, Yvette Elder at [yelder@uh.edu](mailto:yelder@uh.edu).

On behalf of the administration, faculty, and staff, welcome to the University of Houston! We look forward to you joining us this next semester.

Sincerely,

Zhigang Deng, Ph.D.  
Director of Graduate Studies  
Department of Computer Science

Principal
